## AN APPEAL...

Don't let the moon vanish from the bed time stories

Don't hide her behind the sky scrapers storeys

Warmth of breez has to be sought

Don't let it to be bought

Don't gift the breath lessness of green house gases

to the blossing buds of generation next

let them see the snow fed mountains

and feel the green bedded plains instead of

reading about them in their text

Daisies, daffodils, Each one is a wonder in itself

do not end them just to please yourself

Be ready to guard you with a plan of prevention

from the attacks of test tube aterrors

and each thoughtless inventions

Let us pass on the legacy of nature's wonders.

## INSPIRE AWARDS

Inspire is a National level programme to strengthen the roots of our traditional and technological development.

The major aims of Innovations in Science Pursuit for Inspired Research (INSPIRE) programme are...

- Attract intelligent students towards sciences
- Identifying intelligent students and encourage them to study science from early age
- Develop complex human resources to promote scientific, technological development and research

Inspire is a competitive examination. It is an innovative programme to make younger generation learn science interestingly. In 11<sup>th</sup> five year plan nearly Ten Lakhs of students were selected during 12<sup>th</sup> five year plan (2012-17) Twenty Lakhs of students will be selected under this programme.

Two students from each high school (One student from 6 - 8 classes and one from 9 - 10 classes) and one student from each upper primary school are selected for this award.

Each selected student is awarded with Rs. 5000/-. One should utilize 50% of amount for making project or model remaining for display at district level Inspire programme. Selected students will be sent to State level as well as National level.

Participate in Inspire programme - Develop our country.

*Child Line - 1098 is a 24 Hours National Emergency Service to save the children who need protection.*

*Please make a call - save a life.*
