

Essay on Good Manners :

What are good manners?

Good manners are nothing but the treatment of other people with courtesy and politeness, and showing correct behavior towards the public. Good manners teach a man how to behave, respond, or react to different situations. Manners are defined by society itself. Society tells us good and bad manners. Therefore, good manners are those behaviors that are liked and preferred by society.

Short Essay on Good Manners For Students and Children

Good manners are very important in our daily life. Good manner creates an effective interaction with friends as well as makes a good impression on a public platform. The difference between a literate person and an illiterate person is not important. But the way he/she speaks and acts shows whether they are well-mannered or not. So the presence of good manners can make a person gentleman. A person starts to learn good manners right from childhood.

Students start learning good manners from their parents. Greeting family members in the mornings and evenings and saying good morning, the good night may be one of the simplest things to practice in the home.

It is very important to say these moreover, it is a sign of respect, warmth, and affection towards elders. We must make a pleasant conversation with our parents. The practice of good manners starts from home itself.

Long Essay on Good Manners for students and children

Good manners are very important in our daily life and every parent must teach their children the good manners and importance of them in life from childhood. Good manners are required to create an effective interaction with friends as well as make a good impression on them.

Many schools conduct reading practice programs every day to teach good manners. Some of the good manners are as follows.

Good Manners

Sharing with others is one of the good habits. When you start sharing anything with your friends the bond and closeness between you will increase. Friends usually share pens, books, dishes during lunchtime, etc

Take turns in a good manner that speaks about doing something one after the other. If everyone in the class speaks at a time, it will be clumsy and irritating to the teacher.

Practicing this habit will give you more calmness to listen to others' versions also.

Listen when others are speaking is the most important good manner. Many people do not like to listen to others.

Say sorry when you hurt someone the best habit to inculcate because saying "sorry" means we admit our mistake. This means the opponent person may accept your sorry and forgive your mistake.

Say thank you when you receive something from others. Gratitude is the feeling to be grateful for an act of kindness done to you by someone.

Keep smiling: A smile is a facial expression that spreads happiness everywhere. A smile indicates inner happiness.

chew with your mouth closed. You should also sit down to eat and finally, you should chew with your mouth closed so you're not taking in excess air. Reducing the number of fizzy drinks you consume and stopping chewing gum can also help you avoid swallowing too much air.

Why Good Manners are important in a person's life?

Good manners are important in both personal and social situations. Good manners are about respecting yourself and others. They make life more enjoyable for you and for those you come to contact with. If you are a well-mannered person, others will be more comfortable in your company. People with good manners will usually make a positive impression around them.

Summing up

Always remember that having good manners is considered to be a positive feature. Whether one is looking for a prospective match or hiring you for a job role, having good manners is desirable. Offer the seat to someone who really needs it. Never cut anybody while they speak. Make small and kind gestures like listening to others. Keep your hands and feet to yourself even you are talking even with your best friends.
