

## Essay On Punctuality :

### What is Punctuality?

Punctuality is about respecting time. Being Punctual is a habit of discipline and a complete dedication towards work and completing tasks on time. As we all know that the time is very precious which cannot be brought back again. Punctuality helps to build a strong character and results in success. If you maintain punctuality in your life, your entire life will be in a disciplined way which helps to achieve your goals on time.

### Importance of Punctuality

Punctuality implies being on time. Punctuality is one of the key aspects to achieving success in life. Punctuality helps us to realize the importance of time. It is important to implant discipline and punctuality as these are the deciding factors of our future. If students are not punctual, they can become lazy and later lose interest in doing things even it is crucial to complete the task. This is why being punctual is essential for a person from school days itself.

## Short Essay on punctuality for students and children

Punctuality is directly related to time management. Time management skills help you to maintain punctuality. A punctual person is respected by others. The habit of punctuality adds much importance to one's personality. If we are not punctual, we cannot complete the work on time which leads to postponing of work. So, why not today?

A punctual man gets enough time to complete his work. He can complete his work according to his plan. Being punctual strengthens and reveals your sincerity. Let's take an example. If you tell someone that you will meet them at a certain time, you have stood on your words and the promise you made to them. And if you say you'll be there at 10:00, and arrives at 10:30, which means you have broken the promise you made.

At the workplace, punctuality is very important. Punctuality shows respect. When you're on time, you're being considerate to others and respected by higher authorities in the organization. Being respectful to others helps you build your career in the organization you will get noticed and your performance graph gradually increases. People want respectful colleagues.

In conclusion, we can say punctuality and discipline are the key factors which need to continue throughout your life. If you want to achieve something in life. Every student should make a habit of punctuality to succeed in their lives.

## Long Essay on punctuality for students and children

The meaning of the punctual word is "on time". Being punctual is very much needed for everyone. Let's see an example, what happens if a student comes late to the examination hall? They may cancel the exam of that student. Being punctual helps to get rid of these types of problems.

### Importance of punctuality in student life:

It is a must for students to be punctual to achieve their goals in their lives. A student should develop the quality of doing things on time. A disciplined and punctual student receives respect and identification in both the school and society.

Once a punctual student moves forward towards his goal, he receives love, affection, and respect in the family, school, and society. It is not an inbuilt quality that comes by birth. It should be practice step by step.

Being punctual is very important for people. It builds self-confidence in an individual. It shows how much an individual is interested to do any task. People can trust individuals who are punctual and provide them with greater opportunities in the workplace.

## Advantages of being punctual:

As said by William Shakespeare, "Better three hours too soon than a minute too late". which means before time. Punctuality leads to a happy mind. It is a key to happiness and having a healthy mind. Therefore, any person having this quality would always feel comfortable while working. Being punctual removes anxiety and improves self-confidence.

A punctual person always maintains positivity in his mind and words. Punctuality is indeed the key to success because, a person who does not understand the value and meaning of time, can never achieve success in his life.

Someone has said that "time and tide reflux does not wait for anyone". This means that both the time and the tide of reflux do not wait for anybody. Everyone should understand the value of time to live a successful and meaningful life.

## Best Quotes on Punctuality

"Punctuality is the virtue of the bored."— Evelyn Waugh

"I am invariably late for appointments - sometimes as much as two hours. I've tried to change my ways but the things that make me late are too strong and too pleasing."—

Marilyn Monroe

"Sorry we're late," Jason said. "Is this the guy who needs killing?"— Rick Riordan House of Hades

"I am always late on principle, my principle being that punctuality is the thief of time."— Oscar Wilde

"If you're early, you're on time. If you're on time, you're late."— Lik Hock Yap Ivan

"Kaylin is not known for her punctuality. She is known, in fact, for her lack--even by that outside of the Hawklord's command."— Michelle Sagara, Cast in Shadow

"Punctuality is the thief of time."— Oscar Wilde, The Picture of Dorian Gray

"Punctuality is not just limited to arriving at a place at right time, it is also about taking actions at right time."— Amit Kalantri

"Beginning of a great day begins a night before."— Sukant Ratnakar

## Best Slogans on Punctuality

"Punctuality is the stern virtue of men of business, and the graceful courtesy of princes"

"Punctuality is the virtue of the bored"

"Few things tend more to alienate friendship than a want of punctuality in our engagements. I have known the breach of a promise to dine or sup to break up more than one intimacy"

"Punctuality is a quality the need of which is bound up with social co-operation. It has nothing to do with the relation of the soul to God, or with mystic insight, or with any of the matters with which the more elevated and spiritual moralists are co "

"If I have made an appointment with you, I owe you punctuality, I have no right to throw away your time if I do my own"

"As you put into practice the qualities of patience, punctuality, sincerity, and solicitude, you will have a better opinion of the world around you".
