The SCERT Mizoram has always been committed in fulfilling its role as academic think-tank for providing quality education in the State. Our role as Academic Authority for elementary education has entrusted us with the responsibility of formulating the curriculum, textbooks and evaluation procedures. It is with pleasure that I announce the introduction of NCERT textbooks for Classes I – V which have been adapted and translated to be user friendly for learners of Mizoram.

On behalf of the SCERT, I express my gratitude to the NCERT, New Delhi for sharing the copyrights of the books and allowing us to translate the books into Mizo and to make necessary adaptations to make the books more meaningful for students of all Elementary Schools in Mizoram. I extend my sincere gratitude to scholars, educationists, experienced teachers and my colleagues who have contributed in formulating these new set of textbooks.
